## Website Update & Hosting Proposal

For: **Nancy Stovall**

Hi Nancy,

We appreciate the opportunity to work with you on updating your website. Below is a breakdown of estimates and items discussed for your review and approval. Please reach out with any questions and we will respond promptly.

Sincerely,  
Chris Josten

<b>Cost of New Theme License (YooTheme)</b>	<b>\$150</b>
<b>Ongoing Hosting - \$100/mo.</b>	<b>Billed quarterly (\$300)</b>

### What's Included?

#### Updating of Wordpress, Theme and Plugins

- Update to the latest version of the CMS and extensions.

#### Migration to Curiosity Servers from Existing Servers

- This is optional, however, it seems that the current host is not watching for updates.
- CMG will duplicate and migrate the site once updated to a new, more secure server.

#### Website Updates - up to 25 hrs

- Download and installation of new Theme
- Theme to be used: YooThemes
- Installing Beach Cam on site

#### Ongoing Hosting Includes:

- Daily backups
- Free SSL and SSH
- Advanced security
- Wordpress, Theme and Plugin Update Automation
- Staging site for proper updates
- Up to 30 minutes of updates free per month

*\*\* Additional time needed for changes will be estimated at standard hourly rates for approval prior to moving forward with asks.*
