Re: Surveying Services for specific areas in Grand Panama area, Section 35, Township 3 South, Range 16 West, Bay County, Florida

Dear Mrs. Trumbull,

We at SCR & Associates (SCR) sincerely appreciate this opportunity to provide Anchor with a proposal for surveying services.

Based on the scope of services listed in your email and outlined on the exhibit attached, we propose to perform the work requested and listed below.

SCOPE OF PROFESSIONAL SURVEYING SERVICES

TOPOGRAPHIC SURVEY:

- All field and office work necessary to produce the surveying services to conform with minimum technical standards as promulgated by the State of Florida’s Division of Surveyors and Mappers.
- Topo of existing stormwater ponds. Obtain all elevations on the inlet and discharge structures. Topo of centerline of roadway to the conservation area or property line as shown in exhibit. Locations and elevations of all drainage structures and location of improvements in the outlined area.

Fee to be paid upon completion.....\$ 3,275.00

SCR estimates (15) business days to complete, weather permitting and beginning the day after receipt of signed proposal/contract.

WORK NOT SPECIFIED

Work not specified in the above scope of services will not be performed without your prior knowledge and approval. When merited, SCR will provide Anchor with an estimated lump sum fee for any additional services. Otherwise, additional service will be performed on an hourly basis only at your request.

ACCEPTANCE

Acceptance of this proposal/contract may be indicated by your signature or a signature of a duly authorized representative of Anchor CEI, in the space provided below. One signed copy returned to the SCR will serve as your acceptance of this proposal and responsibility for payment.

Thank you again for the opportunity to provide you with this proposal. If you have any questions or require additional information at any time, please contact us at our office at 850-265-6979.

We look forward to working with you and providing you with quality services.
